

## Errata

D. E. Nichols, S. Frescas *Synthesis* **1999**, 935.

The experimental procedure of compound **2** is missing a reagent and should have been shown as follows:

### **4-Acetoxy-*N,N*-dimethyltryptamine Fumarate (2)**

In a 250 mL Parr hydrogenation bottle was placed 0.25 g of 10% palladium on charcoal followed by anhyd sodium acetate (1.50 g, 18 mmol). Benzene (50 mL) was added followed by **acetic anhydride (5 mL, 5.41 g, 5.32 mmol)**, and **4** (0.50 g, 1.7 mmol).
